

Company Profile

Technical Resources Corporation, in business for over 28 years, was founded by Frank Mascetti in 1993. TRC is a Manufacturers' Rep firm which specializes in manufacturing, inspection and synergistic products for the PCB assembly industry. Frank holds a B.S.E.E. from the University of Maryland and has worked for such companies as Northrop Grumman, Racal-Milgo, GenRad and Marconi Instruments before founding **TRC**.

The combined resources in our company provide more than 90 years of experience serving the electronics industry in Florida, Puerto Rico, the Dominican Republic and Costa Rica since 1982.

TRC Business Philosophies:

- Know our customer's unspoken needs: **"listen to what they want...deliver what they need"**
- Provide our customers with the highest quality products and services available at cost-effective pricing, through our knowledge-based decisions.
- Provide synergistic and complimentary product offerings, thus providing total, integrated solutions.
- Understand our role in our customers' organizational chart: "vendor", "supplier", "consultant"...a **"technical resource"**
